

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

Media ownership by corporations who have a direct interest in war profiteering will not permit clear objective news reporting, as evidenced by the "news" coming out of Iraq during the war. This is not in the best interest of the people of this country.  
Thank you for your time.
